

Week commencing 30.3

### Other Activities

Look out of your window. Draw what you can see. Can you 'write' a label for your picture( parents can write what your child says. Encourage mark making.

Children due to start school, name writing- it does not have to be with pen and paper- shaving foam, gloop, sand, salt, flour, glitter. Be creative.

Draw, paint a picture and put it in your window to cheer people up as they walk past your house.

While the sun is shining. Shadow art. Put a piece of paper on the floor. Choose some toys- animals work well. Place on the group so you can see their shadow on the paper. Draw around the animal and decorate. If unsure look on pinterest and search shadow art for kids.

Complete a jigsaw. Make your own jigsaw. Draw a picture and then cut into large pieces. Find a picture, then cut up to make a puzzle.

Read a story, sing some songs, have a disco in your kitchen!!

Please send photos of all your amazing work to
