

Activity 5

What makes a good classmate?

Make a poster of the things you think a good friend in class is, says, does and makes you feel.

You can use the template we have uploaded or you can make your own.

What would you like your friends to say? What would you like them to do or act like in the classroom? Would you like your friends to be unkind?

A Good Classmate...

is:

does:

says:

makes me feel:
